

A horizontal toolbar with several icons and labels. From left to right: a 'Page view' icon with a dropdown arrow, a 'Mobile layout' icon with a mobile phone silhouette, a 'Gridlines' checkbox (checked), a 'Snap to grid' checkbox (unchecked), a 'Lock objects' checkbox (unchecked), a 'Filters' funnel icon, a 'Bookmarks' bookmark icon, a 'Selection' icon with a mouse cursor over a square, a 'Performance analyzer' icon with a bar chart and clock, and a 'Sync slicers' icon with a circular arrow and funnel. Below the icons are labels: 'Page view', 'Mobile layout', 'Gridlines', 'Snap to grid', 'Lock objects', 'Filters', 'Bookmarks', 'Selection', 'Performance analyzer', and 'Sync slicers'. There is also a 'Scale to fit' label under the 'Page view' icon and a 'Show panes' label under the 'Bookmarks' and 'Selection' icons.

This is a screenshot of a design tool's interface, specifically the 'Visualizations' panel. The panel is titled 'Visualizations' at the top right. On the left side, there is a vertical sidebar with three menu items: 'Page visuals', 'Bookmarks', and 'Selection', each preceded by a double chevron icon. The main area of the panel is light gray and contains a large, faint watermark of a bar chart. In the center of this area, there is a small icon of a bar chart with a pencil, indicating a formatting or editing function. Below this icon, there is a text prompt: 'Select a visual on the canvas to start formatting. Your changes will only appear in the mobile layout.'
